Governor's Advisory Council on Aging (GACA) Members 95

Aging Services Summary of Eligibility 96-101

Aging Organizations in Arkansas 102-105

Arkansas Volunteer Programs for Seniors 106-108

Introduction

This directory has been prepared by the Department of Human Services, Division of Aging and Adult Services to provide information on aging programs and services administered by the Division of Aging and Adult Services and the Area Agencies on Aging (AAA).

Also included are in-state toll-free numbers that provide assistance to older Arkansans, and a list of organizations providing services or opportunities for seniors and state volunteer organizations for seniors.

Questions concerning these programs should be directed to the Division of Aging and Adult Services at (501) 682-2441 or to the appropriate AAA.

For information regarding availability of services in a specific county, please contact the AAA county office or the AAA information number listed for that county. (NOTE: Most 800-numbers listed are in-state only; out-of-state persons calling for Arkansas information should contact the main AAA office for that region.)

If you do not know the county for which you desire information, please contact the Division of Aging and Adult Services at (501) 682-2441.

This material is also available online at http://www.arkansas.gov/dhs/aging.

If you need this material in an alternative format, please contact our Americans with Disabilities Act coordinator at (501) 682-2441.

* Members will be appointed by the Governor of the State of Arkansas for a term of four years. Officers will serve one two-year term and may succeed themselves for not more than one additional one-year term in the same office.

Aging Services Summary of Eligibility

A number of services are available to individuals through a variety of funding sources. These sources include funding under the Older Americans Act, state general revenue, dedicated state taxes and individual and community donations. Please refer to pages 99-101 for Medicaid Covered Services.

The following services are available through the Area Agencies on Aging (AAA). Eligibility for these services is determined by those offices. In most cases, clients must be 60 or older (unless otherwise noted).

Priority consideration is given to applicants in greatest economic and social need. A co-payment is not required from individuals who receive these services; however, clients are encouraged to donate if they are able.

Eligibility and payment criteria may change as state and federal regulations are amended or renewed. For the most current information, consult the local AAA or call the Division of Aging and Adult Services.

Not every service is available in every region and a service available within a region may not be available in every location.

To apply for aging services listed on pages 96-98, please refer to the Area Agency on Aging in your county. Area Agencies on Aging, with the counties they serve, are listed beginning on page 4 of this booklet.

Aging Services

Adult Day Care: Clients must be physically or mentally impaired, and in need of care and supervision for periods of more than two (2), but less than 24, hours a day. Program services include meals, transportation and recreational activities in a group setting. Available in AAA regions I, III, V and VII. Also available on private pay basis in some areas.

Chore Service: Clients must be without significant social support systems able to perform services for them. This is a household service that may include running errands, preparing food, simple household tasks, heavy cleaning or yard and walk maintenance that the client is unable to perform alone and that does not require the services of a trained homemaker or other specialist. This cannot include medically oriented personal care tasks. Available in AAA regions I, IV, V, VI, VII and VIII. Also available on private pay basis in some areas.

Client Representation: Client Representation is an activity under which a client's needs are assessed and services to meet those needs are either provided directly by the Client Representative or arranged for in an organized and consistent manner. Client Representation includes, but is not limited to, such activities as outreach; referral for legal assistance; providing

information about and determining eligibility for public benefits such as Qualified Medicare Beneficiary and Specified Low-Income Medicare Beneficiary; assisting with completion of applications and paperwork; attending meetings on behalf of clients; and providing information and assistance. Clients receiving both Medicaid Targeted Case Management and Client Representation will not receive duplicate services. Available in all AAA regions.

Congregate Meals: Clients must be 60+ (or spouse or disabled dependent of person age 60+). A service provides a hot or other appropriate meal that complies with the Dietary Guidelines for Americans and contains 1/3 the Recommended Dietary Allowance of nutrients (RDA). (2/3 RDA provided if in the same day a second meal is served, and 100% if 3 meals in a day.) The meals are served in a group setting such as a senior center or elderly housing facility and are usually associated with activities to promote social interaction and reduce social isolation. Available in all AAA regions.

Employment Services: Clients must be age 55 or older. This service provides an organized program of counseling, assessment, training and placement in employment, either subsidized or unsubsidized. Financial eligibility requirements vary by funding source. Available in all AAA regions.

Home Delivered Meals: Clients must be age 60+ (or spouse or disabled dependent of person age 60+), homebound, and unable to prepare nutritionally adequate meals, and must live in an area where the meal can be delivered. The service provides a hot or other appropriate meal that complies with the Dietary Guidelines for Americans and contains 1/3 the Recommended Dietary Allowance of nutrients (RDA). (2/3 RDA if a second meal is provided for the same day, and 100% if 3 meals.) Available in all AAA regions. Also available on private pay basis in some areas.

Homemaker Services: Clients must be in social need and without significant social support systems able to perform services for them. Homemaker services provide basic upkeep and management of the home and household assistance. Services may include menu planning, running errands, laundry, essential shopping, meal preparation and simple household tasks. Medically oriented personal care tasks are not included as a part of this service. The service provider must be trained in household management tasks and be supervised by the provider agency to assure that tasks are completed accurately and appropriately. Available in AAA regions I, II, IV and V. Also available on private pay basis in some areas.

Information and Assistance: Available to all older persons, their families, and their friends. The service includes the provision of concrete information about services and benefits and where to obtain them; it may include assistance with referral to an agency providing needed services or benefits and follow-up to see that the referral was satisfactory. Available through all area agencies and senior centers.

Legal Assistance: Clients must be age 60+ needing legal advice that does not involve criminal charges. Available through all area agencies on aging.

Long-Term Care Ombudsman Program: The Arkansas State Long-Term Care Ombudsman Program (known as the Ombudsman Program) advocates for the rights of long-term care residents. It is a statewide program of community advocates that addresses the complaints of nursing home and residential care facility residents. Its representatives provide information on facilities, work for systematic change, and monitor the activities of the regulatory system. Available in all AAA regions.

Material Aid: Clients must be without significant support systems. Material aid is the provision of goods or payment of bills to meet or prevent an imminent emergency. (For example, purchase of basic necessities for someone whose house has been destroyed by fire, or payment of a utility bill to prevent imminent shutoff of service or the distribution of such items as clothing, smoke detectors, eye glasses, or security devices.) Available in AAA regions III, IV, VI and VII.

Personal Care Services: Clients must meet medical requirements for personal care. Basic tasks necessary to enable a client to remain living in the community. Services include assistance with bathing, grooming, dressing, and toileting; food preparation and feeding; and incidental household chores related to the client's health and comfort. It may include transportation to and from medical appointments. Financial eligibility requirements vary by funding source. Currently funded by Older Americans Act and state appropriations. Available in all AAA regions. Also available on private pay basis in some areas.

Socialization: Facilitating client's involvement in activities to reduce social isolation and promote social interaction and well-being through on-going programs of physical and mental activity. Available at Senior Centers in all AAA regions.

Telephone Reassurance: Client must live alone or temporarily alone, or be homebound in isolated areas. Service consists of telephone calls at appointed times to check client status; if contact is not made, assistance is sent. Available in AAA regions III, IV, V and VI.

Transportation: This service transports a client from one location to another so that the client has access to needed services, care or assistance, such as medical services, shopping, bill paying, etc. Service may include escort assistance.

Medicaid Covered Services

Questions regarding Medicaid eligibility or Medicaid services may be answered by the County Department of Human Services Offices. These are examples of Medicaid Services that assist the elderly.

ElderChoices Program: Provides in-home services to individuals 65 or over, meeting financial eligibility (300% SSI), resources eligibility ($2,000 – individual, $3,000 – couple) and medical eligibility (admission to an intermediate nursing facility). These in-home services are designed to reduce or prevent institutionalization by maintaining, strengthening or restoring an eligible client's functioning in his or her own home, that of a care-giver or foster home. Services may include the following:

- **Adult Day Care** – Provides care and supervision to meet the needs of four (4) or more functionally impaired adults for periods of less than 24 hours, but more than two (2) hours per day in a place other than the client's own home. Services may include meals, transportation and recreational activities.

- **Adult Day Health Care** – Provides a continuing, organized program of rehabilitative, therapeutic and supportive health and social services and activities to individuals who are functionally impaired and who, due to the severity of their functional impairment, are not capable of fully independent living.

- **Adult Foster Care** – Provides a family living environment for eligible clients who are functionally impaired and who, due to the severity of their functional impairments, are considered to be an imminent risk of death or serious bodily harm and as a consequence are not capable of fully independent living. The home provides supportive services such as bathing, dressing, grooming, assistance with toileting and enhancement of skills and independence in daily living. Client pays for room and board costs.

- **Chore** – Provides heavy cleaning and/or yard and sidewalk maintenance only in extreme, specific and individual circumstances when lack of these would make the home uninhabitable. This service does not include routine lawn and yard maintenance.

- **Home Delivered Meals** – Provides one daily nutritious meal to eligible clients who are (1) homebound and (2) unable to prepare meals or are without an informal provider to prepare meals. Each meal must equal one-third of the Recommended Daily Allowance.

- **Homemaker** – Provides basic upkeep and management of the home and household assistance. May include menu planning, running errands, laundry, essential shopping, meal preparation and simple household tasks. Medically oriented personal care tasks are not included as a part of this service.

- **Personal Emergency Response System** – Provides an in-home, 24-hour support system with two-way verbal and electronic communication with an emergency control center, which enables an elderly, infirm, or homebound individual to secure immediate help in the event of a physical, emotional or environmental emergency.

- **Respite** – Provides temporary relief to persons providing long-term care for clients in their homes. Can be offered only in situations where there is a formal primary caregiver.

- **Adult Companion** – Adult Companion services are non-medical care, supervision and socialization services provided to a functionally impaired adult. Companions may assist or supervise the individual with such tasks as meal preparation, laundry and shopping. Providers may also perform light housekeeping tasks which are incidental to the care and supervision of the individual. A companion who meets state standards for providing assistance with bathing, eating, dressing and personal hygiene may provide these services when they are essential to the health and welfare of the individual and in the absence of the individual's family.

Alternatives for Adults with Disabilities: Provides consumer-directed attendant care, agency attendant care, counseling support management and environmental modification services to individuals ages 21-64 who meet the criteria for intermediate nursing home care; the individual's income should be under 300% of poverty and meet the resource limits for Medicaid. Persons who qualify will also receive regular Medicaid benefits such as prescription medications, doctor and hospital services. Under the consumer-directed model, clients must be able to act as the employer, performing all employer duties. This includes hiring, supervising, and terminating an attendant's employment.

IndependentChoices: Allows you to arrange for your own personal care and receive a cash allowance to pay for it, while you live at home or with family. IndependentChoices provides a cash allowance, which you can use to hire friends, relatives, neighbors or independent caregivers to help with daily personal care such as bathing, grooming, dressing, etc. You may also use the cash allowance to purchase the goods and services you need for your personal care. Anyone who currently receives, or is eligible for, Arkansas Medicaid benefits, is at least eighteen (18) years of age or older, and has a medical need for personal care may be eligible for IndependentChoices. You need to be interested in directing your own care, or have a family member or friend who can help you do it. For more information or to start the enrollment process, call and talk to one of our DAAS counselors toll-free at 1-888-682-0044.

Assisted Living: A Medicaid home and community-based waiver program that will provide 24-hour supervision and supportive services including limited nursing services in a congregate setting to persons (age 65 or over) or 21 years of age or over that are blind or disabled.

Other Medicaid Services:

- **Targeted Case Management** – Medicaid clients sixty (60) years of age or older who have limited functional capabilities and need assistance with the coordination of multiple services and/or resources may be eligible for this service. Case management services will assist Medicaid recipients in gaining access to needed medical, social, educational and other services.

- **Personal Care** – A Medicaid client may receive these services if he/she has a medical need for hands-on personal care. Services may include assistance with basic personal care, meal preparation, essential household activities and transportation.

- **Home Health** – Medicaid clients may receive assistance with periodic nursing care to preserve life or prevent or delay the necessity of inpatient care. These services include "part-time" or "intermittent" care provided by a registered professional nurse, licensed practical nurse, student nurse or home health aide.

- **Hospice** – Terminally ill Medicaid clients may receive a continuum of care services under this category. Services may include routine home care, continuous home care, inpatient respite care and general inpatient care.

- **Transportation** – Medicaid clients may receive assistance with obtaining transportation to a medical facility. This may include ambulance services.

Other Services

Adult Protective Services: Clients must be age 18+, endangered and unable to comprehend their danger. Services include complaint investigation and, where no family support is available, temporary custody. Reports of suspected abuse should be made to the 24-hour hotline: 1-800-482-8049. All information is confidential.

Arkansas SMP: *"Empowering Seniors to Prevent Healthcare Fraud"*. Since Medicare beneficiaries are constantly faced with issues regarding potential healthcare fraud, ASMP provides educational programs and volunteer training to empower seniors to: (1) Protect their healthcare benefits by protecting their personal information; (2) Detect potential fraud, errors, and abuse by keeping records and reviewing Medicare Summary Notices; (3) Report suspected fraud, errors, or abuse by calling the 24-hour hotline: **1-866-726-2916**.
